COVID19 AND MOUNTAIN REFUGES

NEW RULES OF USE

It is essential to know, before going to a FAM mountain refuge in 2020, the new rules for their use due to the crisis Covid19.

Please spread them among all the members of the group who are going to the refuge. It is everyone's responsibility to know them, take them into account before going up to the mountain refuge and fulfill them once in them.

BEFORE GOING TO THE REFUGE

- The mountain refuge **will not have rest shoes for common use**, it is mandatory that everyone carry it with them.
- The refuge **will not have blankets in the rooms**, therefore, it is necessary to provide a sleeping bag designed to avoid being cold.
- The refuge **will not have pillows in the rooms**.
- It is necessary **to determine a person responsible for each group**, in order to have a single interlocutor to whom the guard of the entrance to the refuge and explains all the new operating rules once in it.
- Due to limitations in the number of accommodation places, **the minimum service** in refuge without access by car will be half board and in those with access by car it will be room and breakfast. **Confirm the hour for diner and night closure**, if you arrive late, contact the guards of the refuge.
- The **use of the mask is mandatory** in all areas of common use of the refuge.

ONCE IN THE REFUGE

A number of new standards for the conduct and operation of the refuges have been established. All of them, like the ones mentioned above, are based on the current crisis COVID19, the new measures of physical distance and hygiene that need to be taken and the sustainability of mountain shelters.

We ask the mountain community to help us comply with them. It is everyone's responsibility to ensure that mountain refuges can function properly despite this bad situation in which we find ourselves.

Some of these measures are:

- It is important to maintain the minimum distance and cleanliness measures in our stay in the refuge.
- Upon arrival at the refuge, it will be necessary to disinfect backpacks and hiking boots.
- It will not be possible to use the lockers room to leave the backpacks, they must be brought up to the rooms.
- Leaving from the refuge in the morning, due to the cleaning and disinfection we have to do, it won't be possible to leave anything inside the refuge.
- Limited capacity has been established in all the common spaces of the refuge: dining room, terrace, toilets, ... These capacity will be indicated by signs at the entrance to each of these spaces. It is everyone's responsibility to fulfill them.
- The refuge's accommodation capacity has been limited.
- It will be necessary to clean the hands with hydroalcoholic gel before each breakfast, lunch or dinner service.
- We must always attend to the instructions of the guard before these food services, since the distribution of the dining tables will be conditioned to the typology of the groups of guests. The groups that come together to the refuge will sit down to eat together.
- Both the guard and different posters throughout the refuge will be informed of the protocols and necessary measures to fulfill.

**BE RESPONSIBLE AND HELP US WITH COMPLIANCE
OF ALL THESE RULES**

**AMONG ALL WE WILL GET THE SHELTERS AND
MOUNTAIN HOSTS TO OPERATE**
